

A8 Business Card Scanner

OptiCard 610

Organizing Business Cards Simple, Clever and Easy.

The mobile OptiCard 610 Business Card Scanner is the perfect mobile solution.

Using a USB connection, it is power cord free. It is so compact that can fit neatly on a desk, and can easily be packed alongside a laptop or in a briefcase.

Powerful I.R.I.S. Cardiris 3.5 helps you to organize all of your business cards with efficiency. It recognizes business cards from up to 50 different countries. Other features include auto orientation, database export, synchronization with your PDA and personal contact manager, and many more!

Whether you are in the office, at home or even on the move, you can enjoy productivity and mobility -- anytime, anywhere!

Slim, stylish, smart and more!

One of the smallest and lightest business card scanners available, the handy OptiCard 610 also offers high-performance and unsurpassed quality to you.

The package contains a carrying pouch. Containing two compartments to hold the scanner itself and a USB cable, giving the scanner sound protection.

I.R.I.S. Cardiris 3.5

Cardiris is a 'business card organizer', an unbeatable productivity tool for retrieving and organizing all your business cards. The latest 3.5 version now comes with more powerful features such as dragging and dropping from the card to desired fields, supporting multiple address databases (HTML, Lotus Notes, Outlook, Outlook Express, Goldmine, Palm Desktop, ACT! , Text, and vCard...etc) with export and synchronization, and auto orientation, deskewing, cropping OCR after scan...etc.

Cardiris recognizes cards from 50 countries: Albania, Argentina, Australia, Austria, Belgium, Bulgaria, Brazil, Canada, Chile, Columbia, Croatia, Czech Republic, Denmark, Estonia, Finland, France, German, Greece, Hungary, Italy, Japanese English, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Mexico, The Netherlands, Norway, Poland, Portugal, Romania, Russia, Serbia, Slovakia, Slovenia, South Africa, South Korean English, Spain, Sweden, Switzerland, Taiwanese English, Turkey, Ukraine, United Kingdom, United States and Others.
